

Dear Parent or Guardian,

Now that your school year is in full gear we hope that you have had an opportunity to participate in many of the exciting things happening at Comprehend Academy. At this time, we need you to complete a state form for each student you have enrolled at Comprehend Academy. Attached you will find the form and below is more information on how it benefits our school and your student.

Compensatory Education Funding Qualification Form:

Comprehend Academy may qualify for additional funding from the state if any of our students meet certain guidelines. The additional funding, known as the Compensatory Education Allotment, is used to provide supplemental services to students who are at-risk or not performing at an appropriate level. Please help us collect the necessary information so that we may receive additional state dollars for the benefit of our students.

Please complete the ***Form for Compensatory Education Funding Qualification*** and submit.

The district is automatically eligible for this funding if you receive food stamps or Temporary Assistance for Needy Families (TANF). Otherwise, the district may qualify for this funding depending upon your income and family size. (*Note: A separate form must be completed for each Comprehend Academy student enrolled*).

Your support in completing these forms today is greatly appreciated. Thank you for helping make Comprehend Academy a wonderful school for everyone!

Sincerely,
